

HMS PTA "Go for the GOLD"

This HMS PTA fundraiser is a direct contribution campaign that begins NOW! There is nothing to buy, and 100% of your money goes 100% to the school. And, it is 100% tax deductible. It is simple - just complete the form below, return it with your generous donation to Herndon Middle School PTA.

We need to raise \$14,000 to make this a great year for our kids. Just think - if 700 families donated \$20, we would have that \$14,000. In all reality, only about 30% of our families participate and help us make our budget. Let's increase that percentage of families who help out, and let's meet our budget! (Donations are not limited to families; businesses can also make tax-deductible donations to the PTA.) **MANY BUSINESSES HAVE MATCHING DONATION PROGRAMS!**

Fundraising is not the primary purpose of the PTA, but with the County, State and Federal government making more and more cuts, it is becoming more difficult for our children to enjoy the learning experiences that field trips and assemblies can offer as well as staff development for our teachers. Help the PTA help HMS to continue to offer these enriching activities for our staff and children.

Please consider making a donation of \$10, \$20, \$50 or whatever you can afford. Please complete this form and return it with your check made payable to HMS PTA. Please send in envelope to "HMS PTA Go for the Gold", 901 Locust Street, Herndon, VA 20170 or send it in with your child to the main office.
